

Weekly Newsletter Friday 11th September 2026

Dear families,

Our first full week back has been an excellent one; the children are settled and ready to learn, and have remembered our Values and Attitudes in all they do. I am really looking forward to getting this term underway and seeing what we can all achieve!

In this week's newsletter, please see the **important dates, especially the PTA Quiz night**. Can you beat the teacher team?! Also, please answer our **parental volunteer survey** and our **School Development Plan survey** if you can.

Have a lovely weekend,

Mr Maloy

Could you be a Parent Volunteer, or come to talk about your life or career?

Parents and carers are an integral part of the school. Our aim is to have more parent volunteers to help contribute to the children's development. Parents that took part last year found it very rewarding. If you or any other family member, e.g. grandparents have time and would like to volunteer at school, please complete this Google Form. If you also have a special skill, career or disability you would like to come in and talk to the children about, we would love to have you.

We are incredibly proud to announce that our Grange Eco Warriors have achieved their **Eco-Schools Accreditation with Distinction!** This fantastic achievement recognises the hard work, enthusiasm and commitment our Eco Warriors have shown in making Grange a greener and more environmentally friendly school. From raising awareness about sustainability to encouraging positive changes across our school, our Eco Warriors have been fantastic ambassadors for our planet.

A huge well done and congratulations to all of our Eco Warriors. We are so proud of everything they have achieved and look forward to continuing our journey towards making Grange an even greener school.

Our School's Development Plan

Each year, the Governors and staff choose areas of focus for our **School Development Plan**. This year, our targets are:

- **Improve attendance rates to above national figures**
- **Ensure learners with Special Educational Needs or Disabilities (SEND) have no barriers to learning and make good progress**
- **Improve the percentage of children achieving a Good Level of Development (GLD) at the end of EYFS, by developing provision in Nursery and Reception**
- **Ensure the curriculum meets learners' needs**

We'd love your views as parents, on how you think we can achieve these targets. If you can, please **answer this quick survey to give your views:**
