Weekly Newsletter Friday 12th June 2026

Dear families,

This week, our amazing Key Stage 1 children completed the phonics screening check – a series of 40 flash card words designed to check their phonics knowledge. They did really well, and we can see the strength of our new phonics scheme, even after only 6 months! Well done to everyone involved in the phonics delivery here at Grange.

We also had our Year 4 times tables check – again the children and teachers did us proud. Keep practicing on Times Table Rockstars (TTRS) though; a thorough knowledge of the x tables is one of the most helpful things to have in maths lessons!

Next week, we look forward to welcoming **Hannah Beharry, our visiting Olympian**, for a fun day of sports, and it won't be long until our **Sports Day** either! Check all the **important dates** below…

Finally, a note about class mixing. We will, as usual, be mixing up the classes for next year, and plan to let you know the mixes in the coming weeks. Please don't worry about your amazing, resilient, children – we will make sure they are in the best place for September and will have more information soon.

Have a lovely weekend, Mr Maloy

Important Staffing news

After 6 fantastic years Mr Denny is moving to a new school much closer to where he lives, for the new school year in September. He would like to thank all the parents and children that he has worked with for their support and wish all the children at Grange a brilliant future.

Mrs Kalam will also be leaving us, to spend more time with her children before they start school, and is just as sad to be leaving our amazing community after starting here as a newly qualified teacher eight years ago!

We are busy recruiting right now, and will let you know our new teachers when we announce the classes for next year. We will all miss Mr Denny and Mrs Kalam, and want to thank them for their amazing contributions to school life over the years.

Next week is Week 2 of our cycle

Artist of the Week

Artist of the week is Chloe Lindsey from Y1 Pelican class. Chloe has created a lovely picture with a colourful flower and a fluttering butterfly sitting on it.

Well done Chloe!

Cycling courses here at Grange!!!

Grange will be hosting cycle training courses this Summer - please use this link to book a space, and for more information:

https://fs19.formsite.com/cycling/wwjqlgt5gy/index

This will allow exclusive access to the form to our parents, for the next two weeks! The company can supply loan bikes to children aged 7 and above, too! There are a range of beginner and more advanced courses over the summer break – please book now!!

Cadenza

@WeAreEMS

@EalingMusic

@EalingMusicService

@EalingMusicService

Cadenza is Ealing Music Service's vibrant, inclusive and widely celebrated music centre, offering an inspiring community where young musicians from across West London come together to learn, grow, and perform at an exceptional standard.

With 19 ensembles and classes supporting over 200 pupils, Cadenza provides a rich and diverse musical experience, all delivered through monthly Saturday rehearsals led by professional tutors and conductors in a warm, supportive environment. Families consistently praise the programme for its joyful atmosphere, high-quality teaching, and the confidence it instils in young performers.

Thanks to subsidy and support from Arts Council England, Cadenza is able to offer outstanding value for money while ensuring accessibility and maintaining its commitment to inclusive, high-quality ensemble music-making for all.

Whether a young musician loves to sing, thrives in orchestral or jazz settings, or wants to build strong ensemble skills, Cadenza offers the perfect environment to develop talent, make friends for life, and take part in unforgettable performance opportunities.

ENGINEERING CAMPS WITH SPORTS AND OUTDOOR FUN

Every day is a new experience. Give your child a holiday they will remember and grow from!

PRICING STARTS from £69*

creative IQ is a fantastic place, both to work at and for the development of kids. I've seen children not only having lots of fun building and programming their robots, but also picking up crucial skills found in engineering and robotics for the rapidly increasing digital world.

AYA BELHADI

★★★★★

creative IQ has been a wonderful experience for our 6-year-old! The program strikes the perfect balance between fun and learning, keeping our child engaged and eager to participate every week. The staff is knowledgeable.
