

Weekly Newsletter Friday 18th September 2026

Dear families,

Now the children have settled back into school and we've developed our relationships with them, we will be looking at organising our before and afterschool boosters. Please look out next week and the week after for information if your child is selected for a booster, and be sure to reply!

Quick updates from me – please see the **PTA events** in the dates below, please respond to our **SEND family partnership survey**, and also Mrs Suthayalai's **request for old mobile phones** to use as cameras. Please also note that **lost property and uniform donations** are now in the **playground shelter**.

Have a lovely weekend,

Mr Maloy

Could you be a Parent Volunteer, or come to talk about your life or career?

Parents and carers are an integral part of the school. Our aim is to have more parent volunteers to help contribute to the children's development. Parents that took part last year found it very rewarding. If you or any other family member, e.g. grandparents have time and would like to volunteer at school, please complete this Google Form. If you also have a special skill, career or disability you would like to come in and talk to the children about, we would love to have you.
